Contest Description:

Our association (R.I.D.E.) is the new name for the association "Rennes Longskate".

Rennes Longskate organized the "Super Giant Boarder Cross Slalom StGermain" (<http://www.slalomskateboarder.com/phpBB/viewtopic.php?t=3457>) which took place in the center of Brittany, for 2 editions (2004-2005).

With this new event, we want to introduce Nantes public to the Slalom discipline.

We are applying for the Prime sanction status, in order to show the seriousness of the competition, and to make the riders do the travel.

The project is already quite advanced, because we have already found sponsorships which make us confidence (Coneracing, Terre de Glisse (a local skateshop), etc...), and moreover, one of our members is journalist so the event will be reported through a lot of medias (television, radio, newspaper, etc...)
