Venue description (surface, pitch, length, cone distance, etc). Please describe the hill and course as completely as possible:		
Bristol – GS hill is a dog leg left, freshly paved, clocked via GPS at 18 on an easy cruise, should race 20+. It will be ramp start and single lane. I expect wide curb to curb GS cones combined with 6-9 foot pumping section. Bethel – More of a known entity, we have been racing this street for 5 years. Dual ramp start, 6-9 foot cones, 7/10 surface steady grade, 20mph on a local soap box derby hill		
Venue attractions (local attractions for non-skaters):		
Bristol venue is a city park with municipal pool open to skater and family. In addition Bristol is home to the nations oldest amusement park for skater with families not wanting to spend the day on the hill.		
Press Coverage:		
The race has already received notice in two different newspapers, we expect continued coverage and broadcast media on site race day.		
Competitor amenities (lodging, meals, gifts, etc):		
Water, lunch, dinner, two awards parties with refreshments and entertainment. Lodging is still being sorted, but we always secure a group rate at a local hotel. A T shirt and custom stitched participant number.
