will be the announcer.

## Spectators (expected number, other attractions for spectators, provision for, etc.)

100-200 spectators, there will be free water for the competitors.

Rules: Describe any exceptions to the ISSA rules, clarification of rules, equipment allowed or restricted, competitors allowed or restricted, and any other special rules that will apply to this contest.

We will be allowing 6 wheel skaterboards. This may not be up to ISSA standards, but we believe in innovation and being open minded.

## **Contest Description:**

We are in the middle of the country, we are trying our best to promote DownHill Slalom skateboarding. We are or wish to be the contest that opens up the GRS Racing Season. This is officially our Fourt Race, we had to move our race from the Rio Grand Valley to the Austin area mainly because they have a large airport and there are so many things to do in that large city. Last years contest everyone left with a big smile and a suntan. Claude Regnier placed very well and that is because he came in all the way from Canada. We got Dan Gesmer to help us make the race run alot smoother and less stress on the Texas Outlaws. The First Texas Cold Fussion Sizzler was won by Ricky Byrd, the Second was Keith Hollien, and last year Chris Chaput won the GS and Richy Carasco won the Hybrid race. We are trying to keep DownHill Slalom alive and well. Our sport must not die, and it will not die.

Last year we had racers from Canada, New Mexico, St Louis, South Carolina, California, Colorado, Utah, Mississippi, Oregon, Chicago, etc. Our sponsors last year we had: Roe, Abec 11, PPS, Solid Skate, MileHighSkates, 3DM, Radikal, Concrete Wave, Eds Pleasure Tool Bearings, Purple Skunk,etc

## Race Event #1 description:

Race day one the Gs at BigView in Austin, push start, single lane, there will be 3 different sections for the racer depending on their racing ability. At the end of the race we will run a DownHill High Speed Challenge.

## Race Event #2 description:

Sundays Race wil be a Hybrid race, dual lane, cone penalties, Ricky Byrd style start ramps. TwaysTiming System, false start. We will be honoring Ricky Byrd at our contest for all his contributions he has done for spreading the slalom stoke in the South.
