

ISSA 2007 Contest Sanction Application Rev 2.0

Name, phone, email of contest organizer:		
Marc Fuentes, realriders@aol.com		
Date of Contest:	Title of Contest:	
June 16, 2007	South Hills Slalom Skate & Boardercross	
Location of Contest:	Number and type of events at this contest (hybrid, tight, etc):	
Bible Center Church- Charleston, WV	Tight Slalom, Hybrid Slalom	
Sanction status desired (Basic, Prime, Main, Major, Worlds)	Classes of competitors: (Pro/Am, Open, Jr, Women, etc)	# Of runs per competitor, qualification method, bracketing method:
Basic	Open	The qualifying rounds will be in a jam format with racers stating which runs they want timed, racers will then be matched according to their fastest qualifying time.
Permits, insurance, arrangements for road closures, etc:		
The course is a private parking lot, Insurance is covered by the church		
Prizes and value of prizes to be awarded:		
\$250 for first place in Tight slalom \$250 for first place in Hybrid slalom \$100 for second in tight slalom \$100 for second in Hybrid slalom \$50 for third in tight slalom \$50 for third in Hybrid slalom \$25 for 4th place in tight slalom \$25 for 4th place in Hybrid slalom		
Venue description (surface, pitch, length, cone distance, etc). Please describe the hill and course as completely as possible:		
The races will be set up on the sloped parking lot (a VERY rough estimate would be between 12-17 degrees). The parking lot is easily long enough for 50 cones and the pavement is asphalt and in good condition but I would recommend soft wheels.		
Venue attractions (local attractions for non-skaters):		
The church is having a cookout.		
Press Coverage:		
There are many TV and radio stations in the area always looking for weekend, light news, human interest stories, etc.		
Competitor amenities (lodging, meals, gifts, etc):		
The first 25 racers signed up will receive a T-Shirt, Food will be available at the church as a fundraiser.		
Race Equipment (ramps, timing, displays, safety gear, etc.):		
Trakmate Timer, helmets are required. Other safety gear is recommended. This will be a kick start race to		

encourage first time racers.
Race Personnel (experience, training, etc) Please include Contest Organizer and contact info:
Marc Fuentes is the main organizer. Lenny Poage (organizer of the Kentucky Fried Cone Fest) of other members of the WV Chapter of the DownHillBillies will be helping out.
Spectators (expected number, other attractions for spectators, provision for, etc.)
50 or more spectators
Rules: Describe any exceptions to the ISSA rules, clarification of rules, equipment allowed or restricted (e.g. 6-wheels), competitors allowed or restricted, and any other special rules that will apply to this contest.
Helmets are required, 6 wheelers are welcome.

Contest Description:

It's on !!!! June 16th Saturday at the Bible Center Church in South Hills in Charleston WV. The Pastor was generous enough to allow us to use the parking lot from 10 am to dark. There will be food and refreshments available for sale from the church. The main event will be a dual lane slalom race set up on the sloped parking lot. The parking lot should be long enough for 50 cones and the pavement is asphalt and in good condition but I would recommend soft wheels.

These events will also be held at no extra entry fee

Longest Ollie, Longest Slide, Longest Manual, Consecutive Kickflip contest, Long Jump from board to board, 360 event, and my favorite, ** The First Annual South Hills Boardercross Massacre*** . Skaters in packs of 10 will race around a course with cones placed at the ends of the parking lot, with a downhill and uphill grade and the first to cross the line wins. Prizes will be given in all events. It's going to be lots of fun, so bring the family for a day of skateboarding. Sponsored by Marc's Board Shop. **** Helmets are required to compete in all events ***** Pads are recommended for the Boardercross, no spikes please

Race #1

This the hybrid slalom race. This will dual lane head to head racing on a course with cones 6-9 feet apart.

Race #2

This is the tight slalom cones. This will be on the same hill as the hybrid race. Cone will be spaced tighter together and we will run single lane elimination race.
