Venue attractions (local attractions for non-skaters):
Nearby towns, Louth. Nestling in the Lincolnshire 'wolds'. Its an extremely beautiful and undiscovered part of the UK, as its on the way to NOWHERE!!! The venue itself will be holding a gravity sports event with downhill, longboarding soapbox and bungee jumping. Plenty to see and do.
Press Coverage:
Radio, and TV. This will part of the bigger event, but the slaom race will generate its own publicity too.
Competitor amenities (lodging, meals, gifts, etc):
Cadwell has plenty of local B&Bs hotels etc. For the event there is on site camping with facilities and the option of camping at the nearest pub. Meals will be available at the cafeteria. Competitors will not be provided with meals unless we can organise a chilli cook with the race tracks permission.
Race Equipment (ramps, timing, displays, safety gear, etc.):
We will have our new all meal ramps. Digital trackmate and Ruready timing with lareg LCD displays. We have TWO systems as back up.
Race Personnel (experience, training, etc) Please include Contest Organizer and contact info:
I will organise the race but NOT RACE. Damn! We will also have Cadwell Park track marshals.
Spectators (expected number, other attractions for spectators, provision for, etc.)
Last year over 2000 spectators came for the main event. The event is part of a gravity festival.
Rules: Describe any exceptions to the ISSA rules, clarification of rules, equipment allowed or restricted (e.g. 6-wheels), competitors allowed or restricted, and any other special rules that will apply to this contest.
No 6 wheels please.

Contest Description:

Last year we were given access to what is one of the best hills in the world for a slalom race as part of a gravity festival. We want to hold a GS and a dual race, and already have commitment for sponsorship and much interest. The UK has not had main status for any race as of yet, and this is a chicken and egg situation. As the race does not clash with any other Euro races and we have all the facilities in place to run an excellent race we would respectively ask that points be awarded to attract Euro racers to our event. We will do our utmost to make them welcome!

Race Event #1 description:

Event 1

Large Hill GS.

The first event will be 3 runs each on a large GS hill. This will give everyone a good few runs. The hill is PERFECT.

Event 2

Dual Slalom

On the opposite hill we will run a tight dual course of 50 cones each lane. It will be tight, offset and FAST.

We have excellent timing systems in place.

We hope to have a good prize pool (all UK races do!).

Thoughts:

- February in England is the month with the least rainfall
- Can they provide an indoor race for case it rains? (It might raise the effective number of racers traveling to the Event)
- IGSA?
- For Main must provide THREE (3) events

- POST A 2008 SANCTION TOPIC (like last year)
