Contest Description:

Following the success of last years Outlaw Championships and Freeride in May we again return to the silky smooth tarmac at Hog Hill for this years event "Open Season". Again we will be sharing the the track with London Longboards which not only helps out by splitting the costs but inturn ensures that we keep the entry fee down thus encouraging better participation. The freeride/DH element also ensures the facilities are used to the max over the weekend! There will be an opportunity for riders to try out street luge too as Will Stevenson (as seen on Channel 4 TV's "Famous and Fearless") will be on hand to give some coaching and share his experience.

Race Event #1 description:

Hybrid: Non-cambered 5 degree sloping smooth road surface, straight, uphill runout. Cone distance 6-7ft.
