Contest Description:

Past event history/Organization: This event will run its 8th edition. The organization team has been organizing events since 2001. In 2009 we organized the Tunnel Slalom Skateboard event as part of a skateboard racing tour including 7 races and 4 different disciplines. We are all racers/skaters ourselves and have been going to events since 2003. Our Team is made up from experienced people. Everyone gets their resort to work at according to their real life job.

Sponsorships: Will be covered by the Burning Wheels Tour budget

Community support: We are funded by the sports fund of the canton Zurich.
