

# AUGUST CLINICS

I was so proud of this Team on the weekend of August 20 and 21. We have an annual goal this year to host 4 clinics. We did one in Pacific Beach in January. We hosted a clinic for “World on Wheels” on May 28. We discovered a perfect opportunity to join an already successful family day event in San Francisco, “San Francisco City Streets” on August 21st. Then we got an invitation to join the San Diego Police Dept. “SDPD Skate Jam ’22 on the same weekend! We just couldn’t pass up that opportunity to host an information booth and a slalom clinic.

## SATURDAY in SAN DIEGO

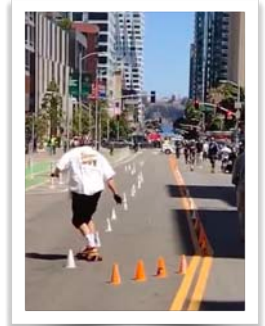

After weeks of preparation, **Tim Stahl** and **Anneli Kyner**, set up a booth right in front of the Pump Track gate. He got new banners and signs for us to use, and keep. It had 4 Pro-Tec helmets to raffle off every hour, 11-3pm. He made up an information flyer for folks to read, shoot the QR code, and get passed out to SD Park and Rec, and the PD.

Anneli set up and staffed the booth all day. Tim also roamed, taking pictures. They guess “hundreds” of people stopped and made contact at the booth.

At the same time, the **Lehrmann Clan (Patrick, Ratih, Oshean, and Orion)** got loaner gear from Sk8Kings in Orange County, the ramp from San Diego, and taught skaters how to run cones and go off the ramp all day.

It was a great day!

## SUNDAY in SAN FRANCISCO

**Maureen Keating** negotiated the contact for us with Livable City. **Lynn Kramer** and **Erik Hunsaker** made the drive to San Francisco with loaner gear, helmets, and swag from **RipTide** and **Badass Skatemom**.

They were stoked to get the support of **Cliff Coleman**, **Jamie Hart**, **Judi Oyama**, **Marc Aley**, **Josh Harvey** and **Amy Jolly**.

The day was set up on a closed city street in a festival atmosphere in the SoMa.

They taught 26 skaters how to skateboard and more made contact at the booth.

It was a great day!

## BOARD OF DIRECTORS ELECTION RESULTS

Our election process ended on August 31, 2022. Thanks to **Denis Shufeldt** and **George Frederick** for soliciting nominations, managing the ballot survey, and its results.

Please thank the following Board members who are returning for another year of service: **Di Dootson Rose, Denis Shufeldt, Lynn Kramer, Erik Hunsaker, Robin Logan, Scott Hostert, Tim Stahl and Maureen Keating.** And, a grateful welcome to four new Board members: **Dan Gesmer, Lou Statman, Catrina Frederick, and George Frederick.**

According to our By-Laws, the membership elects up to 12 people to sit on the Board of Directors. Then, at the new Board's first meeting, those people decide who will do what job. The roles of President, Secretary, and Treasurer are required in our Bylaws. The remaining Board members will serve in varying roles that benefit the organization. That selection will happen the afternoon of our Year End Celebration, 9/24/22 - we can announce at that evening's social/meeting who holds what position.

*Thank you to all who took the time to ask questions about the nominees and cast your vote.*

## Welcome our new Coach: JONATHAN "SHREDDIE" MARINO

Last month the LCR Board of Directors unanimously voted JONATHAN "SHREDDIE" MARINO to join our coaching team.

He lives in Maryland after racing with us in 2019. In Maryland he started a skate school - "School of Shred" and teaches slalom, park riding, and how to skate. He hosts multiple skate events in the year. He is Safe Sport trained.

He represents us well as "La Costa East" and we want to encourage you to send your beginners, amateur, and advanced level riders to him.

He joins our coaching team of Lynn Kramer, Head Coach, Patrick Lehrmann, and Erin Barber,
